

The Lower Cape Escape

Everything you need to know for your dog's stay

Supplies and Care

All basic pet supplies like treats, poo bags, wipes, bowl tray, etc... are in the stand alone pantry cabinet near the master bedroom door.

Fun stuff!

All the toys will be kept in a basket in the pantry cabinet as well. The Outdoor dog bed will be kept in the master bedroom closet. Please make sure you put things back when your done at the end of your stay so its ready for the next pup to use!

General Rules

We ask that you pick up your dog's poop as they go outside at least daily, for sanitary reasons, plus it will stink really fast in the hot sun!

Please understand that our yard is not fenced in. We are located in a neighborhood that is great to walk your dog in. Please respect our neighbors by keeping your dog leashed or contained via electric fence if you own one.

Please make sure you take your dog with you as you explore the cape or crate the dog here when you're gone! Its nice and cool here with the A/C

Always check your dog for ticks after coming in from outside!

Check Out

Please make sure you clean & put away everything your dog used during their stay! If you could put away the food/water bowl tray, mats, supplies, toys, etc... That way the cleaner just has to clean the home like normal. That way the home is ready for the next renter, who may not be staying with a furry friend!

Get To Know Our Dogs

THEY ARE THE REASON OUR
RENTAL IS PET FRIENDLY!

KOTA

GREAT PYR/ PIT/
SHEPHERD MIX

Kota is a mix from Arkansas! Her favorite thing to do on Cape is walk on the beach. She likes to catch seaweed as the waves are washing it in!

NALI

GREAT PYR/
GSD MIX

Nali is also from Arkansas! She loves to roll in the grass and chew her toys in the back yard. She likes to take long walks and long post walk naps!
